

MISSING HEIR, COLUMBIA MAN, FOUND AT WORK

John O'Brien, Who Will Have
\$1,200,000, Is Earning \$1-
500 a Year on Railway.

The mystery of the disappearance of John O'Brien of this city, heir to \$1,200,000, former Columbia University and All-American soccer football star, has been solved. O'Brien is at Van Buren, Ark., as assistant engineer for the Missouri Pacific Railroad at a salary of \$1,200 a year. He says he is happy in his new work and has no desire to resume his former social activities in New York.

At the close of the college year at Columbia in 1910, O'Brien borrowed a suit of clothes and a suitcase from a dormitory mate at Columbia and disappeared. Later the suit and suitcase were returned mysteriously. Fearing the owner hadn't received them, O'Brien sent him money for the apparel. Columbia men became worried over his disappearance. An article was printed in the New York World in which it was said he had been kidnapped and was being held somewhere against his will. This item fell into the hands of A. L. Millenburger of St. Louis, former baseball captain at Columbia and a dormitory mate at Columbia and disbarred third a Post-Dispatch reporter he had seen O'Brien in St. Louis, and the missing student had said he was a survivor for a railroad.

Inquiries disclosed a man of his name was in the employ of the Missouri Pacific at Van Buren. The Post-Dispatch correspondent there was notified. He obtained an admission from O'Brien that he is the missing man. O'Brien says his disappearance was natural, as he took this means of getting actual experience as an engineer. He said his only reason for not telling his friends of his whereabouts was that he wished to outgrow from all old ties and make his way in the world on his own merits.

NEW MAGISTRATES ARE APPOINTED BY MAYOR GAYNOR

Kernochan Is Promoted to the
Court of Special Sessions
for Full Term.

Mayor Gaynor to-day promoted Magistrate Frederic Kernochan to the Court of Special Sessions for a full term, to succeed Justice Deuel, whose term expired at midnight. It was the Mayor's wish to reappoint Mr. Deuel, but on account of his age it would bring him over the seventy-year limit, and the Mayor has made it a rule to appoint no one whose term would run over the age of seventy years. In order to retain the services of Judge Deuel, however, the Mayor has appointed him to the unexpired four years of Magistrate Kernochan's term.

The Mayor also appointed Borough President Rivers of Brooklyn a Magistrate for that borough. Commenting on the appointment of Rivers the Mayor said: "Mr. Rivers was dropped from the office of Magistrate for political consideration. I now restore him without political reasons. He would not send a little boy to the Penitentiary and have him put in striped clothes for tossing a rubber ball in the park."

George M. A. Schull, a former Senator, was also named as a Magistrate for the Bronx. He is a lawyer, was born in this city, graduated from the College of the City of New York and became a law partner of Lewis L. Parrott, now County Judge in Kings.

As foretold, the Mayor also appointed to a Magistracy Thomas J. Nolan of Manhattan, who is an Assistant District Attorney under Whitman. He is forty years old and has been a member of the bar for thirteen years.

two years yet to serve, is appointed by the Mayor for a full term.

Still another appointment to the Magistracy's bench was made by the Mayor. He named John A. L. Campbell, who recently served as a temporary magistrate in the place of Magistrate Brown, was named for the short term of Magistrate Appleton. It is said Mr. Campbell is to get the next full term of ten years when a vacancy occurs.

In the list are two Republicans, the others being Democrats, independent or regular.

The Brooklyn members of the Board of Aldermen will now elect President Steers's successor. It is said to be Commissioner of Public Works Lewis H. Founds of Brooklyn.

ALARM SCARED BURGLAR.

When the Gang Started into Action
Intruder Ran Away.

A burglar alarm started ringing this afternoon in the home of Mrs. Frederick Pearson at No. 4 West Fifty-seventh street, next door to the home of Mrs. Cornelius Vanderbilt. Mrs. Pearson is in Europe and Oliver Davis, the caretaker, ran out and got Policeman Wilday of the East Fifty-first street station. Wilday got Policemen Walsh and Mehan, traffic men from the corner, and with revolvers drawn, the three policemen went through the house.

They found no one, but on the fourth floor a window opening onto a fire-escape was open. It is supposed that a burglar mounted the fire-escape from

the rear yard and fled when he heard the alarm go off as he opened the window.
